

# HELP SUPPORT UPCOMING SOCIAL WORKERS!

## Clinical Social Work Intern and Supervisor Stipend Program

Nevada Public Health Foundation, Inc. (NPHF) is promoting workforce development through Clinical Social Work Intern Stipends. This funding is designed to help alleviate some of the financial burdens associated with your training, allowing you to focus on gaining the experience and skills needed for licensure.

### Clinical Interns

Clinical interns working in rural and frontier communities who align with the program's objectives may qualify for an annual stipend of up to \$1330 per year.

Clinical Interns Eligibility Criteria Include:

- Must be interning under a Board-approved clinical social work supervisor/placement site.
- Must be interning in rural or frontier communities.

### Clinical Supervisors

Clinical supervisors who provide new internship opportunities that align with the program's goals may be eligible to receive an annual stipend of up to \$5,000.

Clinical Supervisor Eligibility Criteria Include:

- Must be a Board-approved clinical social work supervisor.
- Must be supervising a Board-approved clinical social work intern providing services in rural or frontier communities.

### Onsite Supervisors

Onsite Supervisors (LCSW, MFT & CPC, Psychologist, Psychiatrist, APRN) that align with the program's goals may be eligible to receive an annual stipend of up to \$2,500.

Clinical Onsite Supervisor Eligibility Criteria Include:

- Must be a Board-approved clinical social work onsite supervisor.
- Must be supervising a Board-approved clinical social work intern providing services in rural or frontier communities.
