Personal Care Attendant Training Now Available

NEVADA ADSD Aging & Disability Services Division

Complete the 10-hour regulation compliant Personal Care Attendant (PCA) training and help strengthen Nevada's direct care workforce.

Incentive For Participants

- Individuals who complete the training may receive a one-time payment of $250.
- After completing the training, participants must submit the required payment form to receive their incentive.

Incentive For Employers

Provider agencies may receive cumulative incentive payments as 50%, 75%, and 100% of their currently employed PCAs complete the training.

Small Agencies
Fewer than 50 employees
$150 at each milestone – up to $450 total

Medium Agencies
50–250 employees
$250 at each milestone – up to $750 total

Large Agencies
More than 250 employees
$500 at each milestone – up to $1,500 total

Providers must complete a required survey to document participation and qualify for incentive payments. Contact Public Health Supportive Services for more information

Don't Wait - Complete The Training Today!

Incentive funding is limited and will be awarded on a first-come, first-served basis until all available funds have been used or the funding period ends.

How to access the training

- Visit the ADSD Community University webpage
- Register for an account and log in
- Search for the Personal Care Attendant Training Program
